

Summer 2022 - Family testimonials

It's wonderful to see our son get excited about going to nursery here! Each child is greeted by name as they arrive with big smiles and are made to feel so special. The app is fantastic- the photos and messages give us such a lovely insight into our son's day. A massive thank you to all the staff for creating such a loving and caring environment. It's truly a home away from home !

Mariana & Lucas

Edith started New Marston Nursery this year and we have never looked back. We love the high use of the outdoor space, fun activities planned everyday and friendly staff who always greet us with a smile. Edith's particular favourite is the role play area with a kitchen. We are so happy with our choice (Naomi Yeulet and Edith Baker, aged 3.5yrs)

Since starting nursery , Isaac has come on leaps and bounds. He looks forward to his days playing with friends, he has great relationships with all of the teachers. There are many things that we love about the nursery , one of which is the welcome we get each morning. All the teacher's line up and greet the children and parents which is really lovely and welcoming. The school trips that have been organised have been excellent and well targeted to the children's age group. We also love the range of outdoor activities that are set up for the children each day.

After changing nursery's to NMPS it has given Isaac so much confidence and independence which has helped him hugely with his upcoming transition into reception class.

As a parent I feel so at ease with my child being at the nursery and I know that staff are always on hand to speak to whether that be in person or in class dojo (which is incredibly efficient).

Thank you to all the staff for making Isaac's time at nursery so enjoyable.

Chloe & Isaac
