

Welcome to New Marston Primary School Nursery

A little bit about us and what we offer:

We are a school nursery offering term time only places.

We offer:

- ★ 15 hours **3yr old** universal funding
- ★ 30 hours funded places (3yr olds only)
- ★ Wraparound places (3yr olds only & rising 3's only)
- ★ 2 year old funded places (AM only)
- ★ Paid 2yr old places (AM only & subject to availability)

We currently offer wraparound care in the form of a breakfast club and after session care from 3 - 5:30pm. These are at a small cost. Additional AM / PM sessions can be paid for depending on availability. The cost per additional session is £15

Our sessions are as follows:

Morning session: 8:45 - 11:45

Afternoon session: 12:15 - 3:15

30 hour session: 9 - 3

We have some availability to take the universal 15 hours over 2.5 days (Monday, Tuesday 9-3, Wednesday 8:45 - 11:45 OR Wednesday 12:15 - 3:15, Thursday, Friday 9-3). Please ask about this.

Visits to our nursery are warmly welcomed and can be arranged. Please contact Amy by emailing nursery@nmmps.org.uk

We are a small setting with a wonderful outside space where we can see the main school in the playground. We have good links with the main school and regularly visit and join in activities.

We strongly recommend wearing our uniform as our play is often messy and creative. Our garden is always open and is a hive of activity - even in the cold winter months!

We really look forward to welcoming you to our nursery!
